Winden partners with Stripe Payments Company for money transmission services and account services with funds held at Evolve Bank & Trust, Member FDIC.Winden Visa® Commercial Credit cards are issued by Celtic Bank.

1. Average annual cash back of $6,000 is based on estimates of combined earnings from 2% cash back and additional discounts achieved through our AI-powered Scout feature. Actual cash back amounts depend on individual spending amounts, frequency of transactions, types of purchases, and the extent of discounts, programs, and promotions successfully negotiated by Scout. Earnings can therefore significantly vary among users. The stated average is not guaranteed and is intended to illustrate the potential benefits for active participants utilizing all program features effectively.

2. Members who do not achieve at least $100 in cash back per month will receive a refund of their membership fee for that month. This guarantee is subject to conditions including minimum monthly usage requirements, which are detailed in the terms of service. Cash back earnings encompass 2% unlimited returns on qualifying purchases and additional discounts secured through the Scout feature. This offer is designed to ensure active users who fully engage with our services receive substantial value. For complete details on eligibility and program conditions, please consult the terms and conditions.
